

Dear Parents,

The new semester has started and the teachers are looking forward to the students making the transition from 7th to 8th grade. To aid the students in their transition and to help them develop good work habits, it is necessary to have a consistent and fair homework policy across all 7th Grade teams. This policy has not changed from the previous semester; this is merely a friendly reminder.

Second Semester:

- Late Homework will receive 0 credit.

Specific Circumstances/Considerations:

- Excused Absence
 - In the case of an excused absence students will receive the same number of days absent to complete any missing work.
 - Example: If Johnny is out sick for 5 days, upon his return he will receive 5 additional days to complete his assignments.
- ❖ Special Note
 - If you know that your child is going to be absent, please remember to call and let the attendance office know ASAP to avoid confusion.
 - (314) 213-8333 (Attendance Hotline)
 - The 7 Green Math Department is piloting a new program that has a separate policy. Please contact your child’s math teacher for information regarding the specific policy.
- Unexcused Absence
 - All work completed in-class/ or was due during the unexcused absence will receive 0 credit.
 - Example: If Johnny skips school and while he was out from school he missed an in-class assignment and homework was collected; he will receive 0 credit for each assignment.
- Out of School Suspension and In-School Suspension
 - See Behavior Guide (pg. 12)

A successful partnership between teacher, guardian, and student is essential to insure a successful transition and academic year. If you have any questions feel free to call any of your child’s teachers.

Please sign this form and have your child return it to school.
